

FAO Year 7 Parents / Carers.

Friday 2nd September 2022.

Dear Parent / Carer,

We hope you are enjoying the summer holiday. We would just like to remind you again that year 7 are expected in school on **Wednesday 7th September**. Pupils must ensure that they arrive on school premises in good time to join their line up queue by 8.50am. Pupils will leave school at 3.20pm.

Please note that all year 7 pupils need to be dropped off and collected from the gates of the school. It is important for you to know that no parents/ carers will be granted permission to park on the school carpark to drop off or collect their child. If you wish to collect your child from school you are welcome to wait outside of the school gate for them. Not allowing parents / carers to park on the school carpark ensures that every one of our pupils is safe on entering and exiting the school. This safety would be compromised if up to 150 cars were to be allowed on site. Note that there will be members of staff on duty both at the start and end of the school day to make sure you child safely enters and exits the site.

Furthermore, please note that the length of the school day has changed in accordance with new legislation that is being introduced by the Department for Education. The outline for the school day is summarized below.
