

## Policy Statement – Provider Access Legislation

### Stuart Bathurst Catholic High School: Provider Access Policy

#### Introduction

This policy statement sets out the school's arrangements for managing the access of providers to the school for the purpose of giving them information about provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1977.

#### Pupil Entitlement

**All pupils in Years 8 to 13 are entitled:**

- **To find out about technical education qualifications and apprenticeships, as part of a careers programme which provides information on the full range of education and training opportunities available at each transition point.**
- **To hear from a range of local providers about the opportunity they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events.**
- **To understand how to make applications for a full range of academic and technical courses.**

**For pupils of compulsory school age these encounters are mandatory and there will be a minimum of two encounters for pupils during the 'first key stage' (KS3 - Years 8 & 9) and two encounters for pupils during the 'second key stage' (KS4 – Years 10 & 11). For pupils in the 'third key stage' (KS5 – Year 12 & 13), particularly those that have not yet decided on their next steps, there are two more provider encounters available during this period, which are optional for pupils to attend.**

**These provider encounters will be scheduled during main school hours and the provider will be given reasonable amount of time to, as a minimum:**

- Share information about both the provider and the approved technical education qualification and apprenticeships that the provider offers.
- Explain what career routes those options could lead to.
- Provide insights into what it might be like to learn or train with that provider (including the opportunity to meet staff and pupils, from the providers).
- Answer qualifications from pupil.

#### Meaningful Provider Encounters

One encounter is defined as one meeting / session between pupils and one provider. We are committed to providing meaningful encounters to all pupils using the 'Making it meaningful' checklist.

Meaningful online engagement is also an option, and we are open to providers that are able to provide live online engagement with our pupils.

## Opportunities for access

The school offers the four provider encounters required by law and a number of additional events, integrated into the school careers programme. We will offer providers an opportunity to come into school to speak to pupils or their parents or carers.
