

Key Stage 3 Summary of Progress

Age Expected Indicators for Mathematics

Progress Code	Year 7	Year 8	Year 9
Significantly Below Age Expectation	<ul style="list-style-type: none"> Averaging below 10 marks in summative assessments. 	<ul style="list-style-type: none"> Averaging below 10 marks in summative assessments. 	<ul style="list-style-type: none"> Averaging below 10 marks in summative assessments.
Below Age Expectation	<ul style="list-style-type: none"> Averaging between 10 to 20 marks in summative assessments. 	<ul style="list-style-type: none"> Averaging between 10 to 25 marks in summative assessments. 	<ul style="list-style-type: none"> Averaging between 10 to 25 marks in summative assessments.
Working At Age Expectation	<ul style="list-style-type: none"> Averaging between 21 to 30 marks in summative assessments. 	<ul style="list-style-type: none"> Averaging between 26 to 35 marks in summative assessments. 	<ul style="list-style-type: none"> Averaging between 26 to 35 marks in summative assessments.
Above Age Expectation	<ul style="list-style-type: none"> Averaging between 31 to 55 marks in summative assessments. 	<ul style="list-style-type: none"> Averaging between 15 and 35 marks (Higher Tier) in summative assessments. 	<ul style="list-style-type: none"> Averaging between 15 and 35 marks (Higher Tier) in summative assessments.
Significantly Above Age Expectation	<ul style="list-style-type: none"> Averaging above 55 marks in summative assessments. 	<ul style="list-style-type: none"> Averaging above 35 marks (Higher Tier) in summative assessments. 	<ul style="list-style-type: none"> Averaging above 35 marks (Higher Tier) in summative assessments.

Learning Review Window 1	Learning Review Window 2
Tuesday 9 th January 2024 until Friday 26 th January 2024	Monday 17 th June 2024 until Friday 5 th July 2024
<p><i>During these learning review windows students will be assessed in each of their subjects against the progress codes outlined. The actual date and nature of these assessments will be outlined by individual subject teachers ahead of the learning review window.</i></p> <p><i>Assessment summary reports, including information about attendance and attitude to learning are issued following these learning review windows.</i></p>
