

24th May 2024

Dear Parent/Carer,

Ref: Cambridge National Sport Studies Coursework

At Stuart Bathurst Catholic High school, we believe in working in partnership with parents. Year 10 Cambridge National Sport Studies students are completing their R185 unit, whereby they are required to complete their coursework in an allotted time. Unit R185 is worth 40% of their final grade.

To support with this, we are asking your child to attend a HWPO (Hard Work Pays Off) session on Tuesday 28th May 2024 at 9am - 11am, located in our Sixth Form Centre. This is an opportunity for your child to make improvements to their coursework ready to submit for grading. We would welcome your support and encouragement with regards to attendance, as failure to attend this session will have an impact on student's final grade.

A member of staff will be on reception between 8:50am - 9:00am to ensure students are signed in. It is vital that students arrive between these designated times, to ensure that they can enter the school premises. Students may attend these revision sessions in their own clothes.

If you have any questions or feel there is something we could do further to support your child please do not hesitate to contact us.

Yours Sincerely,

Mr A Lane

Miss C Bennett
